1919 N. Lapeer Road
Lapeer, MI 48446

To the entire staff at Lapeer Awning & Windows,

I can't thank you enough for the outstanding job you did on design and installation of the forty-one (41) Sunrise Windows for the City of Lapeer at our City Hall. This process went smoothly from the beginning with ordering the correct replacement window to the end with the installation and clean-up. Through the course of the window replacement process I dealt with several members of your team who were always informative, polite, and courteous. The entire team was great to work with.

Thank you for the service you provided in making this project go so smoothly.

Sincerely,
